

**PRODUCT
STEWARDSHIP
INSTITUTE**

The Product Stewardship Institute (PSI) is a policy expert and consulting nonprofit that powers the emerging circular economy to ensure that products are responsibly managed from design to end of life.

CONSULTING SERVICES

Extended Producer Responsibility (EPR) Research and Technical Analysis

Stakeholder Engagement and Consensus Building

Designing and Implementing Proof-of-Concept Pilot Programs

Tracking, Drafting, Developing, and Evaluating EPR Policies

Policy Facilitation and Mediation

Corporate Compliance, Regulatory, and Legislative Consulting

OUR WORK

Drawing on global best practices and expansive multinational relationships, our research, policy models, stakeholder engagement process, and expert testimony have helped enact 136 EPR laws in 33 states across 18 product categories.

OUR NETWORK

Our members include state, local, and tribal governments in nearly every state, and we partner with more than 120 businesses, academic institutions, environmental nonprofits, and international governments.
